

THANK YOU SABRETT

Marine Corps Family Day at Fort Hamilton

With the help of Sabrett, the USO was able to add a fun addition to the Marine Corps Family Day!

Thank you for the donation of Sabrett Hot Dogs, sauerkraut and onions for the Marine Corps Family Day on Sunday, July 16th. Sabrett helped the USO share the gratitude of all Americans for the service and sacrifice of the military and their families living and serving right here in New York City.

The USO is not a government agency; we rely on the generosity of caring Americans and corporate partners – like Sabrett. With your support, we were able to continue to strengthen America's military service members by keeping them connected to family, home and country, throughout their service to the nation. Connecting them with their favorite hot dogs --the line was huge all afternoon!

From all of us at the USO, and for our service members and their loved ones, thank you for your generosity.

With Gratitude,

Victoria Nastri
